ESTIMATE—DIPLOMATIC CORRESPONDENCE.

LETTER

FROM

THE SECRETARY OF STATE,

ASKING

For an appropriation for the purchase of five hundred copies of the Diplomatic Correspondence from 1776 to 1783, for the use of his department.

DECEMBER 18, 1857.—Referred to the Committee of Ways and Means and ordered to be printed.

DEPARTMENT OF STATE,
December 16, 1857.

SIR: I have the honor to transmit herewith extracts from a letter of John C. Rives to this department; also copies of two letters from the department to the chairman of the Committee of Ways and Means, dated respectively, December 16, 1856, and February 13, 1857, on the subject of an appropriation for the purchase for this department of five hundred copies of the stereotyped edition of the Diplomatic Correspondence of the United States, from 1776 to 1783, in six volumes, at five dollars per volume, amounting to fifteen thousand dollars.

The request that an appropriation may be made for that purpose is renewed, and I have the honor to be your obedient servant,
LEWIS CASS.

Hon. JAMES L. ORR,
Speaker of the House of Representatives.

DEPARTMENT OF STATE,
Washington, December 16, 1856.

Sir: It is understood that Mr. J. C. Rives of this city has stereotyped the Diplomatic Correspondence of the Revolution, an edition of

one thousand copies of which, in twelve volumes, was printed by order of Congress in 1829, pursuant to their resolution of the 27th of March, 1818. Mr. Rives proposes to condense the twelve volumes of the original edition into six, and to furnish this department five hundred copies for distribution to such public institutions at home and abroad, and to such foreign governments as may not have been supplied with a copy of the first edition. The necessary appropriation for the purchase of the five hundred copies is accordingly recommended.

I have the honor to be, sir, your obedient servant,

W. L. MARCY.

Hon. L. D. CAMPBELL,

*Chairman of the Committee of Ways and Means,
House of Representatives.*

DEPARTMENT OF STATE,
February 13, 1857.

Sir: I have the honor to acknowledge the receipt of your letter of yesterday, desiring to be informed as to the amount necessary to be appropriated for the purchase of five hundred copies of the stereotyped edition of the diplomatic correspondence of the revolution. From information derived from Mr. Rives, it is learned that the work will be comprised in six volumes, which, at five dollars, will make thirty dollars per copy; and, for five hundred copies will require fifteen thousand dollars.

I have the honor to be, sir, very respectfully,

W. L. MARCY.

Hon. L. D. CAMPBELL,

*Chairman Committee of Ways and Means,
House of Representatives.*

[Extracts.]

Mr. J. C. Rives to Mr. Cass.

"I printed last year for the State Department five hundred copies of the Diplomatic Correspondence of the United States from 1776 to 1783, in six large volumes at five dollars a volume; my bill for them amounted to fifteen thousand dollars."

"I understood that the Committee of Ways and Means intend to report all the appropriation bills at an early day, and I desire you to ask for the appropriation to get it into the first draft of the civil and diplomatic bill, which will insure its passage."

BALANCES AGAINST DISBURSING OFFICERS.

LETTER

FROM

THE SECRETARY OF WAR,

TRANSMITTING

In compliance with a resolution of the House of Representatives of January 17, 1857, a list of the names of officers and other persons charged with the disbursement of public moneys, against whom there are unadjusted balances standing over for more than twelve months.

DECEMBER 19, 1857.—Laid on the table and ordered to be printed.

WAR DEPARTMENT,
Washington, December 17, 1857.

SIR: In compliance with a resolution of the House of Representatives of the 17th January last, calling for a "list of the names of officers and other persons who have been and are now charged with the disbursement of public moneys, and against whom there are unadjusted balances standing over for more than twelve months," &c., I have the honor, herewith, to transmit reports of the Second and Third Auditors, accompanied by statements giving the information required.

Very respectfully, your obedient servant,

JOHN B. FLOYD,
Secretary of War.

HON. J. L. ORR,
Speaker of the House of Representatives.

TREASURY DEPARTMENT,
Second Auditor's Office, February 10, 1857.

SIR: I have the honor to transmit herewith a "list of the names of officers and other persons who have been and are now charged with the disbursement of public moneys, and against whom there are unadjusted balances standing over for more than twelve months," &c., prepared in compliance with the resolution of the House of Representatives of the 17th of January last.

A majority of the balances, except those of many years standing, arises from the disbursement of the recruiting fund by officers of the army, whose accounts, in many instances, have been rendered, and

remain unsettled on account of the great increase of the army, and the inability to settle them as rapidly as they are forwarded to this office.

I am, sir, very respectfully, your obedient servant,

P. CLAYTON, *2d Auditor.*

P. S. The resolution is herewith returned.

Hon. JEFFERSON DAVIS,

Secretary of War.

TREASURY DEPARTMENT,

Third Auditor's Office, February 27, 1857.

SIR: In compliance with a resolution of the House of Representatives, passed January 17, 1857, and referred to this office on the 11th instant, I have the honor to transmit herewith statements numbered 1, 2, 3, containing the names of all officers of the army, or other persons, who have been or are now charged with the disbursement of public moneys, and against whom there are unadjusted balances standing over for more than twelve months on the books of this office, together with the amount chargeable to each and unaccounted for.

Statement No. 1 exhibits the balances standing on the books of the Treasury prior to the organization of this office, in 1817, and then transferred here for adjustment. Statement No. 2 shows the balances charged to "general account of arrearages," under the act of Congress of May 1, 1820. These balances are the accumulation of many years, and a large proportion of them are in suit, transcripts of the accounts having been transmitted to the agent of the Treasury, prior to the year 1826. In many of these cases, as stated in my annual report to the Hon. Secretary of the Treasury, under date of November 9, 1855, the debtors have deceased, become insolvent, or removed to parts unknown. Every effort has been made, by means of circulars, letters of inquiry, &c., to ascertain the residence and circumstances of those living, or the legal representatives of those known to be dead, and as fast as ascertained a correspondence is opened. Statement No. 3 exhibits the balances which have accrued since 1820, and charged on the "current books." Some of these balances are in controversy between the persons charged therewith and the accounting officers. Suits have been instituted for the recovery of more than one-half of the amount charged in this statement. In many of the cases, judgments have been rendered and the parties returned as insolvent, as appears by the report of the Solicitor of the Treasury. I have to add that the accounts of all disbursing officers rendered to this office are about as closely settled up as it is possible for them to be, under the regulations of the War Department, and that there are no accounts unadjusted which have been on file more than twelve months.

With great respect, your obedient servant,

ROBERT J. ATKINSON, *Auditor.*

Hon. JEFFERSON DAVIS,

Secretary of War.

CLAIM OF MICHAEL PAPPRENITZA, AN AUSTRIAN
SUBJECT.

LETTER

FROM

THE SECRETARY OF STATE,

IN REFERENCE TO

The claim of Michael Papprenitza, an Austrian subject.

JANUARY 4, 1858.—Referred to the Committee on Foreign Affairs, and ordered to be printed.

DEPARTMENT OF STATE,
Washington, December 26, 1857.

SIR: I have the honor herewith to enclose a copy of a letter, with accompaniments, addressed by me to-day to the chairman of the Committee on Foreign Affairs, in relation to the claim of Michael Papprenitza, an Austrian subject, for losses alleged to have been sustained by him at New Orleans in 1851.

I am, sir, your obedient servant,

LEWIS CASS.

Hon. J. L. ORR,
Speaker of the House of Representatives.

DEPARTMENT OF STATE,
Washington, December 26, 1857.

SIR: Referring to the communication of this department of the 3d of January last, addressed to the Hon. A. C. M. Pennington, as chairman of the Committee on Foreign Affairs, on the subject of the claim of Michael Papprenitza, an Austrian subject, for losses alleged to have been sustained by him during the popular outbreak at New Orleans in 1851, I have the honor to enclose a copy of a note on the subject, addressed to this department on the 8th instant by the Aus-

trian minister, and to repeat the suggestion that provision may be made for the prompt payment of the claim in question.

I have the honor to be, sir, your obedient servant,

LEWIS CASS.

Hon. T. L. CLINGMAN,

*Chairman of the Committee on Foreign Affairs,
House of Representatives.*

AUSTRIAN LEGATION,

Washington, December 8, 1857.

SIR: I beg leave to call your attention to the claim of Michael Papprenitza, and more especially to the note which you did me the honor to address to me on the 26th March last, and in which you were pleased to say: "No time shall, however, be lost in inviting the attention of Congress to the matter at its next session, and nothing within the competency of this department shall be omitted towards obtaining a speedy and favorable decision on the part of that body."

As the claim of Michael Papprenitza has been admitted by the Committees of Foreign Affairs of both Houses of Congress, bills or amendments to bills in favor of it have since passed the Senate, and the amount—two hundred dollars—is so very small, I hope that you will be so good as to make, as soon as may suit your convenience, the necessary communications to Congress, for the purpose of procuring, after a delay of six years, the small sum which Michael Papprenitza claims as an indemnity for the destruction of his property on the 21st and 22d August, 1851, and which has been paid long ago to several parties who were in the very same situation with him, except that he was an Austrian subject and they were Spanish subjects.

I avail myself of this opportunity to offer to you, sir, the assurance of my high consideration.

HÜLSEMANN.

Hon. LEWIS CASS,

Secretary of State of the United States.
